

Young Leaders Funding Application

Aged 11–25? Have you got an idea for a project or event that will benefit young people in your community? Want to make it happen?

Then the Peabody Young Leaders programme can help you! It offers the support and funding to turn your idea into a reality - and make a difference for young people.

A Young Leader is a young person who is able to:

- ✓ Research, plan, promote and coordinate a project in their local community
- ✓ Raise young people's awareness of a social issue
- ✓ Raise the aspirations of other young people
- ✓ Engage and motivate other young people
- ✓ Be a positive role model
- ✓ Give young people positive development opportunities

You can apply for up to £300 to develop a project, campaign or event that you think will benefit you, your peers or your community.

Priority will be given to projects that involve and benefit Peabody residents – but you don't need to be a Peabody resident to apply.

Under 16? You will need an adult to support your application.

You can apply by yourself or as a team.

Please complete this form and submit to Peabody Young People Services to apply for funding. You will be notified of the success of your application within one week of submission.

Do you have a team to help you deliver the event? List them below:
